

Continuing Education

# Improve Your Emergency Response

Join us for an educational event featuring  
**Dr. Andy Carver, DVM DACVECC from Red  
River Animal Emergency Hospital.**

Dr. Carver is the only board-certified specialist in emergency and critical care in North Dakota and is one of the head veterinarians at Red River Animal Emergency Hospital located in Fargo, ND.

## Lecture topics to include:

- Acute Kidney Injury (AKI) and urinary emergencies
- Hemodialysis therapy and indications
- Hematologic emergencies (IMHA and ITP) cases
