

Associate Veterinarian

At Grand Valley Animal Hospital in Grand Forks, ND, our practice is grounded in science, compassion, and the ability to listen, because no one knows pets better than their owners do. We believe that we can improve the bond between owners and their pets by using common sense and a team approach. As a veterinarian on our team, you'll be part of a nurturing and supportive environment where you can thrive personally and professionally.

Key Accountabilities:

- Provide consistent, high-quality care and exceptional service to ensure the well-being of the hospital environment and business performance of the hospital.
- Effectively communicate with the veterinary team, management, and clients.
- Practice veterinary medicine in a manner compliant with the State Veterinary Practice Act, Federal and/or State Controlled Substance laws.
- Demonstrate integrity and ethics in all actions and behaviors.
- Perform other job duties as assigned.

Qualifications:

- Doctor of Veterinary Medicine (DVM/VMD/BVMS)
- Oral and written communication skills
- Effective time management
- Working within a team approach to provide veterinary care
- Demonstrated manual dexterity, fine motor skills, and the ability to maintain steady hands while using medical tools

Benefits:

- Rotating 4-day work week with 3 or more doctors on staff.
- Health Insurance plan
- Health Savings Account
- SIMPLE IRA matching plan
- Paid time off
- Bereavement leave
- Continuing education allowance
- State and National dues
- Liability insurance
- Professional training and development
- Great staff!
